EXPECTATIONS & RESELL PROMISE

- Your clients are your clients, we will never contact or disclose
- Each website must be reviewed by Buzzhosting prior to any SEO commencing this is to ensure that your client can expect a good level of success, we want your clients to be happy
- Prices can be negotiated, the above prices are to be viewed as a guide. Extras can be added to each optimisation package in order to meet your clients needs
- Page one on Google is always our target at Buzzhosting, however w can not be held responsible if a page one position is promised to a client.
- Help with dealing with your clients is always an email away – you can expect support and help with answering those awkward questions
- And finally, enjoy

Best regards,
